

OUR DOCTORS

Dr Opelo Sefhore

MBBS, FRACP, FRCPA

Clinical and Laboratory Haematologist

**Languages: English and
Setswana, African Languages**

Dr Sefhore holds dual accreditation as a clinical haematologist and a haematopathologist and has completed fellowships with both the Royal Australasian College of Physicians (RACP) and the Royal College of Pathologists of Australasia (RCPA).

She is consulting privately at Western Haematology and Oncology Clinics as well as serving as the Clinical Trials Fellow at the Perth Blood Institute where she is contributing as a sub-investigator for multiple trials.

Her clinical interest is in both malignant and non-malignant haematology, with a special interest in;

- Haemoglobinopathies
- Haematological malignancies
- Thrombotic and bleeding disorders
- Obstetric haematology

Dr. Sefhore obtained her Bachelor of Medicine/Surgery from Monash University in Melbourne, VIC, in 2010. Following this, she undertook her Basic Physician training at Monash Health and Peninsula Health in Victoria. Her journey continued as she completed her specialist training while serving as a Haematology Advanced Trainee at Liverpool Hospital and Calvary Mater/John Hunter Hospital in NSW.
